TO

THE SECRETARY
to Government of Mysore,
General Department, Camp: Mysore.

Sir,

SUB:- Statistical Training Centre at New Delhi - Deputation of Officers for training.

In inviting your kind reference to my letters No.11/Census,195 dated the 15th and 21st October 1949 regarding the deputation of one of my Assistants to be appointed for Census work to undergo training on the Population side of Statistics at New Delhi, I have the honour to state that the Chief Secretary to Government of Myso has this day intimated in his D.O. No.4092/C.B. dated the 28th October 1949 that Sri M.A.S. Rajan now working as Special Land Acquisition Officer, City Improvement Trust Board, Bangalore, has been posted as the First Assistant to the Census Commissioner for Mysore. The Statistical training is scheduled to commence from 1st November 1949 at New Delhi and there is hardly enough time for the Officer to make arrangements to proceed to Delhi in time to attend the training classes.

2. I request you, therefore, to kindly obtain immediate orders of Government for the deputation of Sri M.A.S. Rajan now posted as the First Assistant to the Census Commissioner and Communicate the same to me, so as to enable the said officer to proceed to the Training Centre, New Delhi, before 1st November 1949.

Yours faithfully,

(SD) J.B. MALLARADHYA,

CENSUS COMMISSIONER.

Census 8-49-5

To

THE SECRETARY
to Government of Mysore,
Education Department,
Bangalore.

Sir,

Subject: Halting allowance to Sri M.A.S.Rajan deputed for statistical training at New Delhi.

Adverting to your letter No.Camp. M. 62/Census dated 2nd November 1949 addressed to the Secretary, Indian Council of Agricultural Research, New Delhi, intimating that the Government of Mysore have nominated Sri M.A.S.Rajan, Assistant Commissioner, doing duty as First Assistant to the Census Commissioner for statistical training in Population Census at the Statistical Training Centre fc Asia and the Far East, at New Delhi, I have the honour to state tha sri M.A.S.Rajan joined the Training Centre from the 8th of November 1949 and is staying at Delhi since then. The Training is expected to last for about 14 weeks from November 1949 as stated in the lett No.F (9)(2)/49.Stat. dated 21st September 1949 of the Secretary, Imperial Council of Agricultural Research, Delhi, addressed to the Chief Secretaries of all Provincial Governments. Sri Rajan has represented that the daily allowance of Rs.10/- allowed to him now for his halts at New Delhi is almost the minimum upon which an officer can manage in the metropolis, especially during the winter.

According to Article 519 A of the Mysore Service Regulations in all cases of halts exceeding thirty days, full daily allowance at the ordinary rates will be allowed only for the first thirty days and at three-fourths of the ordinary rate thereafter, subject however to a minimum of six annas. As Sri Rajan will be halting at New Delhi for over three months during which period the training lasts, he would be entitled to only 3/4 of the rate of Rs.10/- allowed to

He has also stated that the mere boarding and lodging charges at the hostel of the Training Centre comes to about Rs 9/- per day without counting additional expenses that are inevitable during the winter and the transport charges for such official visits in Delhi as become necessary to the Office of the Censu Commissioner for India and other allied Statistical offices an has requested that the full rate of daily allowance may be all to him during the period of the training.

I request you therefore to kindly obtain the sanction of Government to authorise the Comptroller to Government to admit the full rate of daily allowance of Rs.10/- for his halt at New Delhi during the entire period of Training for 14 weeks.

Yours faithfully,

CENSUS COMMISSIONER.

I am directed to forward herewith for urgent necessary action a copy of the Indian Council of Agricultural Research letter No. (9) (2)/49-Statt, dated the 21st Sept.1949 with its enclosure and to request that two officers one for the Population side and one for the Agriculture side may kindly be nominated to attend the training course as early as possible and their names communicated direct to the Secretary of the Council.

MOST IMMEDIATE. EXPRESS LETTER. BY AIR MAIL

INDIAN COUNCIL OF AGRICULTURAL RESEARCH

"P" BLOCK, RAISINA ROAD, NEW DELHI.

No.F.(9) (2)/49-Stat., Dated the 21st Sept. 49.

From,

T.S.Krishnamurti Esqr.,
SECRETARY.

To

The Chief Secretaries to all Provincial Governments.

Subject:- STATISTICAL TRAINING CENTRE FOR ASIA AND THE FAR EAST.

A Statistical Training Centre for Asia and the Far East is being established in New Delhi during the last week of Oct. 1949. The Centre is jointly sponsored by the Food and Agriculture Organisation, the United Nations Organisation and the Government of India, the last mentioned acting as hosts.

2. The Training Centre is meant to serve the needs of South-East Asia and Oceania including India, Australia, New Zealand, Burma, the Republic of Indonesia, Nepal, Pakistan Philippines, Japan and Korea, Siam(Thailand), Afghanistan and Ceylon. The courses are designed to be of special interest to the key administrations and technical officials connected with the forthcoming Agricultural and Population Census (1950-51) and Statistics, in their respective countries. The training programme is expected to last for about 14 weeks from Nov. 1949. The Government of India have already issued invitations to the various foreign countries requesting them to participate in the training and to depute their officers concerned. The pay, travelling allowances and subsistence expenses of the Officers attending the training will be borne by the respective countries.

3. A memorandum containing full details of the Centre including the scope of the training, the type of officers required, the enrolment form to be filled by them etc., is enclosed for information and guidance.

4. In view of India's interest in the two Censuses it is desired that the Provinces and Major States Unions and States should also participate in the training independently, necessary arrangements in respect of the Centrally Administered areas and the Minor States being made by the Government of India. I am, therefore, to request you to kindly communicate the names of the representatives whom you would like to nominate to attend the training together with their enrolment forms duly filled in. The number should not exceed two from each province one each for the Agricultural and Population Census. As in the case of other trainees, the pay, travelling allowances and subsistence allowance of your nominees will be met by your Government. For Agriculture Census it is desired that the Officers nominated for training should be persons of sufficient rank having adequate experience of work in the Agriculture and/or allied Departments. So far as the Population Census is concerned, it is not contemplated that the Provincial Census Superintendents for the 1951 Census should attend the Course and the Provincial Governments may therefore nominate an officer who would be associated with the Population Census or with the Registration of Births and Deaths (vital statistics).

5. The Government of India expect to be able to make arrangements for the residential accommodation of the trainee officers, in some of the Government Hostels in New Delhi. Further particulars regarding this as well as the actual locations of the training centre, will be furnished shortly. Meanwhile, your nominees may be asked to state

specifically whether they would like to have such residential ~~accommodation lodging will be about Rs.8/- per diem~~ arrangement for them. The approximate Cost Charges for boarding and lodging will be about Rs 8/- per diem.

6. It will be appreciated if your reply can be sent so as to reach the undersigned not later than the 6th Oct. 1949.

Copy forwarded for information and necessary action to:--

(1) Ministry of Agriculture. It is requested that a limited number of officers to be trained for the Agricultural Census so far as the Centrally Administered Areas are concerned, may kindly be nominated as soon as possible.

(2) Ministry of Home Affairs.

(3) Ministary of States. It is requested that the Major Staes Unions and the States of Hyderabad, Mysore and Kashmir, may be invited to nominate not more than two officers each, one for the Population side and one for the Agricultural side, as early as possible. It is understood, so far as the Minor States Unions are concerned, that the arrangements for the two Censuses are being made separately in conjunction with similar censuses in the neighbouring provinces and that no separate officers are intended to be trained from such Unions. This may kindly be confirmed. 12 spare copies of this circular letter are enclosed.

(4) Ministries of Commerce and Labour and the Cabinet Secretariat for information.

(5) Ministry of Works, Mines and Power for information. .

Broad outlines for the programme of Training Centre.

- - - -

INTERNATIONAL TRAINING CENTRE IN CENSUSES AND STATISTICS FOR SOUTH EAST ASIA AND OCEANIA.

. . . .

1) The Nature and Purposes of the Proposed Courses:

International organisations and national governments are jointly sponsoring courses on censuses and statistics in different parts of the world for the purpose of helping countries in census and statistical techniques and disseminating informations on the international recommendations for the agricultural and population censuses to be taken in 1950 or 1951. The international Training Centre in Censuses and Statistics for South East Asia and Oceania in India is one of these series.

The courses will impart information on problems connected both with the theoretical and the practical aspects of planning and conducting censuses and programmes for current statistics. There will also be refresher courses in mathematics and statistics, and emphasis on administration, organisation and conduct of censuses. The recommendations of international agencies made in connection with the forthcoming censuses will be especially stress their application to the conditions prevailing in the area will be considered in detail.

2) Coverage, Sponsorship, Time and Location of the Training Course:

1) The Training Centre will be jointly sponsored by FAO, UN, and the Government of India. The Government of India will act as host. The courses will begin in New Delhi in the 1st of Nov. and last for about 14 weeks. The delegates to the Training Centre shouldbe required to reach New Delhi between 24th and 31st Oct.

II) The courses will be open to all countries in South East Asia and Oceania.

III) The medium of instruction will be English.

3.Staff.

The participating agencies are sending experts to serve as teachers in the fields of : (1) methods of conducting agricultural censuses and programmes for current agricultural statistics, (2) methods of conducting populations censuses and programmes for current demographic statistics, and (3) the administration of natb n: statistical services and the application of sampling to large scale enumerative surveys. Members of the staff of statistical agencies of the Indian Government and statistical organisation in India will serve as teachers, demonstraters or discussion leaders. The instruc tion will include class room and laboratory work, discussion groups on special problems, and practical field work.

4. Pre-requisites:

Trainee-delegates should have a sound general education, and if possible, a good knowledge of mathematics. Such knowledge of mathematics is essential for a proper understanding of all the lectures, but trainees without such knowledge will be able to acquire useful information by attending certain lectures and taking part in practical work.

It is desirable that the trainee delegates should have some experience of actual statistical of agricultural of census work. They should, therefore, be selected primarily from among the offici of the national statistical, agricultural, census, or other Departments, and seconderily from among personal selected or intend- ing to enter Goverrment service.

5. Docementary material:

The trainee-delegates should bring with them documentary material and information relating to agricultural and census statistics of their own country including, if possible, a copy of each relevant statistical publication or study on statistical and administrative m thods used. They should also bring with them information (preferably in the form of a written note) about the material that may be available to supply a basis for agricultural and population censuses, such as, large scale maps; lists of houses in villages and urban areas; results of previous censuses; data used for previous sampling surveys, if any , etc. Specimen maps on different scales and specimen pages of tabulated material relating to past censuses or surveys would be of great value and shouldbe brought to the centre.

6 Enrolment Form;

Information for each individual trainee-delegate should be given (in block letters) in the accompanying enrolment form.

7. Local Arrangements:

Enrolment forms and other communications and queries shouldbe addressed to the Administrative Officers, International Training Centre in Agriculture and Population Statistics c/o Indian Council of Agricultural Research, 'P' Block, Raisina Road, New Delhi.
